Dear Carol,

On behalf of the children and families that rely on The Village Family Services (The Village), I want to thank you for your generous donation of \$2,500.00 for our 2019 Take on the Streets. Your donation enables us to continue our programs which include housing and a drop-in center for youth experiencing homelessness, foster care and adoptions, behavioral health, and LGBTQ services.

Roberto, an autistic 8-year-old, came to The Village through the Department of Children and Family Services and had experienced domestic violence between his parents. He had a hard time regulating emotion, limited vocabulary, and emotional outbursts. Our trained staff worked with Roberto for more than a year on verbalizing feelings and redirecting emotions while at the same time provided his mother parenting classes.

Because of services provided by The Village, Roberto is now able to verbalize emotions, regulate his feelings, and has learned new coping skills. His mom has been able to deepen her relationship with her son and is committed to learning new skills. She is even going back to school and will focus on early childhood development.

Your generosity helps us to provide these programs which are so desperately needed. You are having a direct and positive impact on the more than 3,000 youth and families we help every year.

Always Grateful,

Hugo Villa, LMFT
