Dear Carol,

We're so grateful for your lifesaving funding! Thank you to the North Hollywood West Neighborhood Council for helping Heaven on Earth with \$4,500 to help save the lives of more cats and kittens.

We look forward to working together to help promote the activities of the council and the services we offer at Heaven on Earth.

Your gift will help pay for much-needed food, litter, veterinary treatments, medications, and supplies to save more lives and ensure more cats and kittens in Los Angeles find loving homes.

Your gift will also help cats like Snow to make a fresh start and have a chance at a new life.

Earlier this year, Snow was taken to a local shelter covered in painful mange. So when a colleague asked us to save him, we knew we had to try!

While itchy and uncomfortable, mange is also treatable. Thankfully, we were able to rescue him and treat his condition.

"It's been a blessing to partner with Heaven on Earth in rescuing kitties. They have been a lifesaver for so many cats and kittens with medical needs, like Snow. He would have been euthanized without Heaven on Earth. And look at him now!" - CJ, Independent Rescuer

Sadly, Snow's story is not uncommon. Unfortunately, local shelters don't have the capacity to treat mange, so they rely on groups like Heaven on Earth to save the cats.

Thanks to organizations like NoHo West, Snow got the treatment he needed. He has since recovered and has been adopted to his new furever family! Because of you, Snow now has his whole new life ahead of him! 🙏

Warm regards,

Shannon

Thanks again!

It's scary how talented our volunteers are!

Kristi recently started volunteering at our Santa Clarita PetSmart location where she enjoys playing and interacting with the adoptable cats and kittens.

Kristi is also a professional photographer and uses her talents to show off our adoptable cats and kittens. Here she helps DJ Catnip celebrate this spooky time of year.

BOOS & UPDATES

"Just spending a little time with each cat can be the difference of whether they get adopted or not. The first young cat I worked with was scared and shaking on my lap, but a week later she was running and playing. Wow... a little love goes a long way. Every cat deserves a chance to find their forever home. I feel truly blessed to be part of Heaven on Earth."

Jane Dalby
Veterinary Assistant

Staff Spotlight: Jane

Meet Jane. She recently joined our clinic team as a veterinary assistant and it's been a treat!

While this is Jane's first animal welfare job, you would never guess from her passion and hard work.

"I lost my previous job during the first wave of Covid in 2020 and realized I wasn't happy in my field of choice, so I started classes to change my career and was able to get a job at Heaven on Earth. I only started working in animal care this year; it's always been a passion of mine but I never felt able to pursue it before"

Welcome, Jane! We're lucky to have you on board.
