

Our Urban Forest: Planning for Trees

We want to hear from you!

The County and City of Los Angeles are creating plans for the future of trees in our communities, with recommendations for how we care for trees and grow our neighborhood forest.

Join us at a neighborhood workshop near you!

Share your vision for the future of our urban forest.

Everyone is invited, bring your friends and family.

Snacks and refreshments will be provided.

Everyone who comes can enter a drawing to win a prize!

When: February 10, 2024
10 a.m. - 12 p.m.

Where: Mid-Valley Regional Library
16244 Nordhoff St, North
Hills, CA 91343

To see the list of workshops happening across the County and City and find one accessible to you, visit <https://bit.ly/LAUFMPWorkshops> or scan the QR code!

This collaborative effort between the County and City of Los Angeles is supported by Proposition 40 and California Climate Investments funding provided by the California Department of Forestry and Fire Protection (CAL FIRE) Urban and Community Forestry Program.
