

LA28 PROCUREMENT SERIES

FOCUS
FOOD & BEVERAGE

NOVEMBER
5

11 AM - 12 PM PT

Virtual

[Link Provided Upon Registration]

LA28 is committed to helping small and local businesses access contracts for the Olympics and Paralympic Games and is excited to continue to work with LA's vibrant network of support organizations to achieve its goals.

We are developing a Procurement Plan to share in early 2026 that will cover the details and timeline of planned purchases for the 2028 Games. The plan will be shared through the LA28 Procurement Series and this virtual event is a "sneak peek" at what that will look like for one key industry: Food and Beverage.

We invite all small business ecosystem providers to join us to preview the plan and share insights on how to best share industry-specific information post release of the final Procurement Plan in 2026.
